

The screenshot shows a web browser window displaying the InstantPresenter interface. The interface is divided into several sections: a top navigation bar, a presenter sidebar on the left, a central screen sharing area, a presentation agenda on the bottom left, and a text chat area at the bottom. Red arrows and circles highlight specific features: a 'Scrubber' arrow points to a play button in the top left; a 'Play/Pause' arrow points to a play button in the top right; a 'Fit/Actual Size' arrow points to a 'Fit Actual Size' button in the top right; a 'Scrubber for Actual Size' arrow points to a scrubber in the top right; a 'Start at 15:50' arrow points to a time entry in the presentation agenda; an arrow points to a scrubber in the right sidebar; and an arrow points to a scrubber in the text chat area. A note in the chat area states 'All links in chat are hot'. The browser's address bar shows the URL: http://www.instantpresenter.com/WebConference/RecordingDefault.aspx?c_psrId=E059D98081.
